The Fire Marshall and I conducted walk through of all the locations attached to Project LA. We determined that Club Hemingway was over crowded and was in violation of having a locked "Exit Door." It was later determined the locked exit door led to another night club. Therefore with no additional exit doors, the allowed capacity is reduced to 49 people moving forward. The Fire Marshall shut them down for the evening. HED units assisted with crowd control; the patrons exited in an orderly manner with no incidents.

Sir,

Another busy Saturday night. Tonight we deployed the arrestee transportation vehicle and ran a Transient Task Force. We ended up with 5 arrests from the task force. In addition for the second time this week; we were alerted by OHM Security of an armed suspect at the club (prior incident, susp armed with a dagger). HED units responded

While I was monitoring the Cosmo and Project LA I observed a major crowd overflowing on the street in front of all four clubs in that area. I spoke with the security and new manager of the location (Nano) the old Supper Club Manager and the crowding issue was not resolved. After a lengthy attempt to resolve the situation with their security and additional HED units I requested the Fire Marshall. Sir,

Attached are two reports 2015 HED YEAR SUMMARY AND 2016 HED STRATEGIES AND GOALS. I am still confirming 647 F arrest. They were not be captured, so I am going to have the light duty officers go through the sergeants logs recap to verify those numbers. We can adjust, edit and modify, let me know your thoughts.

Al,

I clipped all of the Cosmo reports that were in my inbox together and set them on top. The face sheet of the Complaint App needs to be changed. It should list Ablerto Avila and/or Medhi Bolour as the susp. (It always has to be an owner of the business) Goldberg should be a witness. Check with records to see if you need a 3.14, but when I checked a few days ago, it had not been processed, so you may be able to just fill out a new face sheet. You can probably check on the Cashmere complaint apps to get their DOBs etc.

I should be available if you have any questions.

Sirs,

The following are the results of tonight's ABC operation:

- At approximately 2230 hours, an up-front inspection was conducted at "The Attic" which resulted in the issuance of a citation to the manager Elie Kheir Braidí. He was cited for contaminated alcohol bottles, no café entertainment and show permit, no dance hall permit as well as 12.29 LAMC, CUP violation of conditions number 10,14,17 and 19. Braidí voluntarily shut down the club for the night.

- At approximately 2300 hours, an up-front inspection was conducted at "Cosmo" which resulted in the issuance of an RFC to the same manager Mathew Goldberg for 12.29 LAMC, CUP violation condition number 18, security guards not wearing the appropriate uniforms. Goldberg was advised that any further violations with him as the manager will result in physical bookings.

Officers Thompson and Cross conducted investigations at the following locations which resulted in the following violations:

- The study, 12.29 LAMC, CUP violation for condition number 16 and 39. Complaint application completed.
- The Royal, 12.29 LAMC, CUP violation for condition number 20. Complaint application completed.
- Rusty Mullet, 12.29 LAMC, CUP violation for condition number 10 and 12 as well as 23804 B&P, ABC condition number 2 and 4. Complaint application completed.

Sergeant Gonzales and I conducted a two-hour surveillance at Cosmo in order to monitor all activity related to this club. At approximately 0100 hours, we requested the fire department to respond and conduct a crowd count at both the "Project LA" and "Cosmo." It was determined that Project LA was at maximum capacity so they were advised not to allow any more patrons in. Security began clearing the lines and turning patrons away. Cosmo was not quite at capacity so there was no enforcement taken by FD. We continued monitoring the location until they closed their doors at 2 a.m. There were the usual crowding issues on the surrounding streets and sidewalks as a result. I had a PED unit respond and disperse the crowd.

An undercover operation was also conducted at Playhouse where we were able to get a minor into the club as prior complaints had indicated. During the course of the operation, the minor was able to obtain alcohol service from all bartenders inside the location. As a result, the five bartenders were cited for 25658 B&P, furnishing alcohol to a minor. The manager Tommy Karahalios was cited for 12.29 LAMC, CUP violations of conditions number 12, 16, 22, 28, 29, 33, 42 and 44.

All reports will be completed and properly disseminated tomorrow in order to minimize overtime.

An undercover operation was also conducted at Playhouse where we were able

to get a minor into the club as prior complaints had indicated. During the course of the operation, the minor was able to obtain alcohol service from all bartenders inside the location. As a result, the five bartenders were cited for 25658 B&P, furnishing alcohol to a minor. The manager Tommy Karahalios was cited for 12.29 LAMC, CUP violations of conditions number 12, 16, 22, 28, 29, 33, 42 and 44.

All reports will be completed and properly disseminated tomorrow in order to minimize overtime.

signed all the checks and was on the actual lease for the property. I will confirm that he is on the lease for Cosmo property as well.

Hi Will,

Happy Holidays. I hope all is well. I am reaching out because it appears the ownership of the Cashmere Night Club has transferred their operations to the Cosmo Night Club located at 6364 Hollywood Blvd. The same person on the ABC License for Cashmere is on the Cosmo ABC license

(Albero Avila). This time instead of Top Gun LLC. he shows as Hollywood Night Life Group LLC. The license was issued on Sept 10, 2012. As we learned with Cashmere Mr. Marlon signed all the checks and was on the actual lease for the property. I will confirm that he is on the lease for Cosmo property as well.

I am requesting you put them on a 30 day compliance. I believe they will have to demonstrate that Mr. Avila is actually involved in the operations of the club. We had a shooting last weekend adjacent to the club and there is a strong potential for future violent crimes at and around this location. We want to work with all city and state entities to get this location in compliance or closed down.

Please advise me what we can do to start working on this location and hopefully avoid all the violent crimes we experienced with this same ownership group at Cashmere. We appreciate your partnership with us and look forward to continuing to work together.

Thank you

Alex and Habib,

January the 6th will be the best day for us for the following reasons:

1. The attorney for the owner of the property asked for an extension of
time until the 5th of January to get a response to the attached
letter.
2. We can't assess the non-comp fee until the 6th of January.

The attached letter has additional contact information and was the
result
of the Order being sent to the agent of service for the property owner.
Read the part about ". . . 3 Day Notice to Terminate your Tenancy . . .

Hi Scott,

Please review all social media sites for any activity related to the Cosmo Night Club. They have some restrictions on advertising per their CUP. We are going to enforce all violations moving forward. Please send Sergeant Munoz and I any advertising they are doing so we can evaluate it for compliance with their CUP.

Hi Scott,

Please review all social media sites for any activity related to the Cosmo Night Club. They have some restrictions on advertising per their CUP. We

are going to enforce all violations moving forward. Please send Sergeant Munoz and I any advertising they are doing so we can evaluate it for compliance with their CUP.

Thank you
Alex

Sir,

Cosmo advertised an event and was open for business tonight. I personally monitored the location and worked with VICE to conduct enforcement action. A good portion of the crowd were Bloods. VICE cited the location for several CUP violations. I had HED and PED units saturate the area to avoid any violent incidents tonight. At the time of this email we had no incidents. Sergeant Munoz will forward us an email documenting all violations they were cited for. I will brief you further when I come in tonight.

Sir,

As per our conversation here is a summary of tonight's enforcement on Cosmo.

At approximately 2300 hours, two undercover met with security at Cosmo in order to obtain information on tonight's event. After confirming that there was a private event and a charge at the front door, Sergeant Moody and uniform PED officers conducted an up-front inspection. As a result, the General Manager Mathew Goldberg was cited for 12.29 LAMC, CUP violation of condition numbers:

- Ø 10- The premises should not be used for private parties / events.
- Ø 12- The facility shall not be leased or rented out to promoters at any time.
- Ø 14- There shall not be any public advertising for any DJ entertainment.
- Ø 17- There shall be no cover charge.
- Ø 18- The requirement for uniform security guards.
- Ø 27- STAR training requirements.

One of the security guards was arrested after it was discovered that he had \$56,000 dollars in outstanding misdemeanor warrants. (1) for DUI and (1) for traffic violations.

At approximately 0145 Hours, Sergeant Gonzales and I proceeded to monitor Cosmo at which time we could hear the music across the street where we were parked. We continued to monitor the location and noted that the music and activity continued on past 0200 hours. At approximately 0210 hours, an HED unit stopped in front of the location and sounded its vehicle's siren. At this point, it appeared that the club started closing procedures which continued for about another 15 minutes. At approximately 0230 hours, I had a uniform PED unit meet with the manager in order to cite him for the above mentioned violations. Mathew Goldberg was again cited for 12.29 LAMC, CUP violation of condition numbers:

- Ø 8-Hours of operation not to exceed 0200 hours.
- Ø 9- No after hours use of the facility shall be permitted.
- Ø 21- Any music, sound or noise emanating from within the subject premises shall not be audible beyond the subject site.

FYI, Mathew Goldberg is a former manager of Cashmere. We will have these two reports completed by tomorrow evening and processed them accordingly.

Hi John,

Happy Holidays. I hope all is well. I am reaching out because it appears the ownership of the Cashmere Night Club has transferred their operations to the Cosmo Night Club located at 6364 Hollywood Blvd. I would like to see if your available to conduct an inspection of the location for any Building and Safety violations. We had a shooting last weekend adjacent to the club and there is a strong potential for future violent crimes at and around this location. We want to work with all city and state entities to get this location in compliance or closed down. Please coordinate with Sergeant Munoz from Hollywood VICE on an inspection as soon as you are available. We appreciate your partnership with us and look forward to continuing to work together.

Sir,

Since last Saturday's shooting officers have been proactive reviewing video and discussing information relative to the shooting during roll call. Last night two HED units stopped a vehicle that was described during the shooting and recovered a 380 cal handgun in the vehicle. The casings recovered at the scene the night of the shooting are also 380. Night watch Dets recommended booking the suspect for the shooting. FYI.

0005 Hours:1617 Cosmo Street Supervisor Request

I responded to a supervisor's request to meet 6FB26-W9. 6FB26 had Cooper, Noel

detained for possession of a loaded firearm inside his vehicle. Cooper, Noel with a

birthdate 07-29-86 and phone no. 310 431 5807 was taken into custody without

incident and subsequently secured in the back seat of 6FB28s police vehicle. I

interviewed Cooper who understood the reason for his detention. Cooper had no issues

or concerns for me to address. On the advice of HWD Night Watch Detective Ramirez

Serial No. 25992, Cooper was booked at HWD Station for an ADW-Shooting that

occurred on 12-13-15 at The Cosmo. I de-briefed the incident with all the involved

officers and discussed other tactical considerations; great team work and discussion.

Capt. Zarcone, Lt. Baez, and Jackie:

I am closing out a Public Records request from a gentleman in Hollywood. He has asked for all documents that we have related to Hollywood nightclubs; we are prepared to hand over all pertinent emails and documents from the year 2015.

We want to be sure that we do not release sensitive or confidential information. For example, I consulted with Homicide and they instructed not to include correspondence regarding the investigation into the death of the DJ at Cashmere in August.

I'm attaching some correspondence between myself and Hollywood Vice, as well as myself and Jackie. Some of it pertains to violations and investigations. Can you please let me know if anything should remain confidential and NOT included in this release of documents?

Thank you so much...

Rog. Thanks for the explanation.

The night club is often closed and we only have limited days set aside for ABC investigations. We also had limited funds and other clubs that have had recent violations. The Capt has also given us a list of clubs he wants us to concentrate our efforts on. Based on the times we have gone in, it is evident that they are closing before 0200 and we have not seen anything that indicates they are doing after hour services. This DP we have 2 days set aside for ABC investigations and I am planning on closing investigation this DP if no further investigation is needed

What are you guys doing this upcoming 30-day investigative period that you had not been doing prior? How come your investigations were limited?

I spoke to Mr. Whipple today on the phone. He gave me some basic information but will provide me with a full details next week via E-mail. Here it is...

Hollywood Hookah: Patio is currently 90% removed so they will give him more time to complete the removal and obtain proper permits.

Rusty Mullet: No violations.

Cashmere: Building and Safety issued a Non-compliance fee for the patio and other CUP violations. Next step will be a city attorney hearing.

Black: They wrote an order to have the patio removed which is not covered under their current CUB...

I'll keep you updated as I get the information.

Hi Dan,

Yes, BOSS and LAFD will need to support the one-way. Also, a petition is required from the property owners.Â Cosmo is used by the Hollywood Farmer's market, and they would need to be informed as they would be affected.

Hi Jeannie,

I've had some preliminary discussions with LAPD about turning

Cosmo Street into one way southbound between Hollywood and Selma.

I believe sign-off would be needed from BOS and LAFD. Is that correct? Can you let me know what the process would entail?

Thanks,

I'll check it out - will I get a chance to speak for sure? If I fly out there at my expense and don't get to speak or there's a continuance - that's a huge cost to me.
